

Advantages of Clustering in PDCAs

```
graph TD; A[Advantages of Clustering in PDCAs] --> B[CHs Act as Server Nodes]; A --> C[Repository for members Certificates]; A --> D[Determining Repository Nodes]; A --> E[CRLs Maintenance and Deployment]; A --> F[Locating other PDCA Server nodes]; A --> G[Decreasing Communication Overheads];
```

CHs Act
as Server
Nodes

Repository
for members
Certificates

Determining
Repository
Nodes

CRLs
Maintenance
and Deployment

Locating
other PDCA
Server nodes

Decreasing
Communication
Overheads
